## 2010 Buyers Guide

### ATTENTION: ALL NTNGA GROWERS!

We will have working copies of the Plant List in the Buyer's Guide at the November meeting.

**Please make an effort to be there to be sure your listing is in there and correct.** Also, this is an opportunity to add any listings you feel strongly about or add your code (BM, ie) to any listings that might have been added. Do not call me in February when the guides come out and ask why you are not listed.
